Overview

About Synergy Learning

Established in 2005, Synergy Learning is a leading learning technologies company, located in Northern Ireland. We're a global leader in the design and development of custom learning solutions, having helped clients in over 40 countries through more than 1000 projects. We are a certified Moodle partner and a Platinum Totara Partner and have won numerous awards in recognition for our work with these platforms. Our customers are the central focus of everything we do, and we work in partnership with clients as diverse as Ryanair and the National Health Service to help them improve their performance .

We thrive on teamwork and are a community of experts who are proud of our friendly and professional approach to getting the job done. Everything we do is underpinned by our vision, mission and values that are inherent to our day-to-day work.

Who We Are

Our Vision

To be the world leader in results-driven learning technologies that **Excite, Engage & Empower.**

Our Mission

To create incredible learning experiences using technologies that deliver tangible, compelling results for our customers

Our Values

1Team

While we may have different roles and work from different locations, we share a common vision, mission and values that focus our collective efforts.

Innovation

The platforms we build and the stories we create come from innovative, out-of-the-box thinking. We always look for someone who thinks differently.

WOW

We want to create a platform that is the best it can be, making the decision to choose Synergy Learning as simple as possible and deliver an experience that makes customers say 'WOW'

Passion & Commitment

Our team are hand-picked for their commitment to their craft and their work ethos. Passion for a job well done is the driving force behind everything we do.

Fun

We're focused on delivering incredible results but we have a good time! With social events and a range of team building initiatives, you're guaranteed to have a bit of fun too!

What We Offer

Job Purpose

Due to continued growth we now have an exciting opportunity for a Project Manager to help deliver a first class experience for our customers, wherever they are located. The Project Manager's key role is to coordinate a team of Developers, Designers and Quality Assurance Analysts to ensure that a high volume of projects are delivered on-time, on-budget and to the highest quality.

Key Responsibilities

- Ensure projects are delivered on-time, on-budget and to the highest quality
- Manage a large volume of projects and project stakeholders simultaneously
- Develop detailed project plans, monitor and track timeline progress, budget consumption and risks
- Successfully manage relationships with clients and project stakeholders
- Organise and hold project initiation, status update meetings and closure meetings as required
- Strong task prioritisation skills
- Ensure timely response to client enquiries
- Hold people accountable to process, while building successful relationships at all levels of the business
- Provide summary reports of all project related activity
- A proactive approach to professional development and performance management

What You Offer

Essential Skills & Qualities

- Knowledge of Learning Management Systems or web applications
- Experience in Jira and other project management tools
- Experience with Prince 2 and/or Agile methodologies
- Expertise in coordinating on-site and off-site teams across different time zones
- Strong planning and prioritisation skills
- Ability to positively influence people and project outcomes
- Positive and enthusiastic outlook
- First class communication skills, ability to communicate to both technical and non-technical audiences
- Meticulous attention to detail
- Expertise in coordinating on-site and off-site teams across different time zones
- Flexibility in approach

How To Apply

If you are a suitably qualified and experienced person and you think you would like to join us, then we'd love to hear from you!

Please use the link provided to send a cover letter explaining why you are the best person to fill this role, outlining your career objectives and how Synergy Learning can help you fulfil them. You should also attach an up to date CV, and answer the supplementary questions as thoroughly as possible.

We are an equal opportunities employer and welcome interest from all suitably qualified individuals. We always recruit on merit alone, but as we are currently underrepresented by females in our workforce, we would particularly like to encourage women to apply.

If you are disabled, and/or require any reasonable adjustments to assist you in applying for this role, or in due course attending an interview, please let us know and we will do all we can to facilitate you.

Data Protection

By applying for this position, you agree that we can process your data. We process this data for recruitment purposes only. We are storing this data in our Applicant Tracking System, which stores data in the U.S and is fully compliant with the EU data protection laws, and we will not share it with anyone else. We would like to keep this data until our open role is filled. We cannot estimate the exact time period, but we will consider this period over when a candidate accepts our job offer for the position for which we are considering you. When that period is over, we will either delete your data or inform you that we will keep it in our database for future roles. Here's a link to our privacy policy, (<https://bit.ly/2KzSF6W>). In this policy, you will find information about our compliance with GDPR (data protection law). You can find how to send us a request to let you access your data that we have collected, request us to delete your data, correct any inaccuracies or restrict our processing of your data. You can contact our DPO at dpo@synergy-learning.com for more information.
