

MEET SPARK

The premium theme for your LMS
without the cost of custom development.

Spark configures every aspect of design, user experience, functionality, usability and content for your learning platform. It makes it easy to create incredible, affordable, bespoke learning experiences that look and feel exactly like your brand.

“Spark makes it so easy to manipulate our LMS to the way we want it to be and gives us so much more flexibility going forward. The feedback from everyone who has engaged with the site so far has been very positive.”
Deirdre Cashin | Gas Networks Ireland

WHAT IS SPARK?

More than just another generic LMS theme, Spark is the foundation for creating a modern, engaging and flexible learning platform designed around learners and built for your brand.

Using our experience of delivering more than 1,200 learning platforms, we've equipped Spark with useful integrations, the highest standards of UX design and premium add-ons that reflect our most frequently requested custom features.

Spark delivers:

- A better, more intuitive learner experience
- Smarter content delivery
- Greater control without complexity

...and all without the cost of a fully-bespoke build.

"Synergy Learning were really supportive and understanding of what we wanted to achieve. The LMS looks really slick so from our perspective as a small charity it helps build schools' confidence in us as a professional organisation."

Fran Box | TastEd

POWERFUL FEATURES DESIGNED AROUND OUTCOMES

TOTARA

MOODLE

WORKPLACE

Create a strong, clear entry point into every course. This feature gives learners the context and clarity they need from the moment they log in.

CREATE PERSONALISED, INTUITIVE LEARNING EXPERIENCES

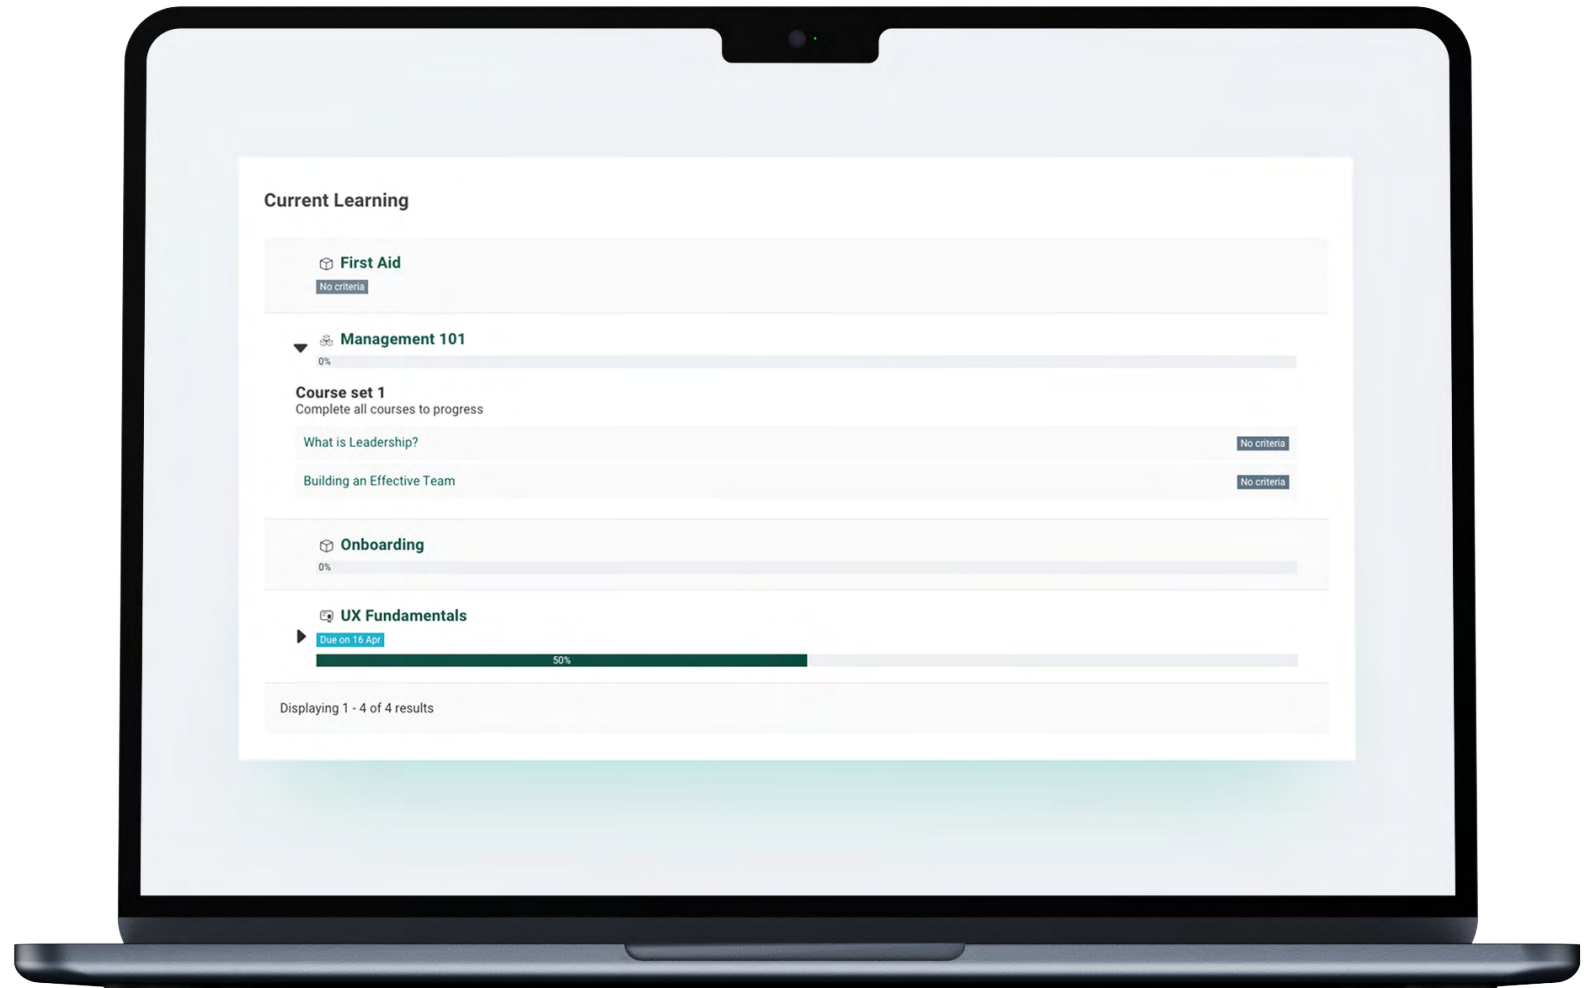

Current Learning Extended

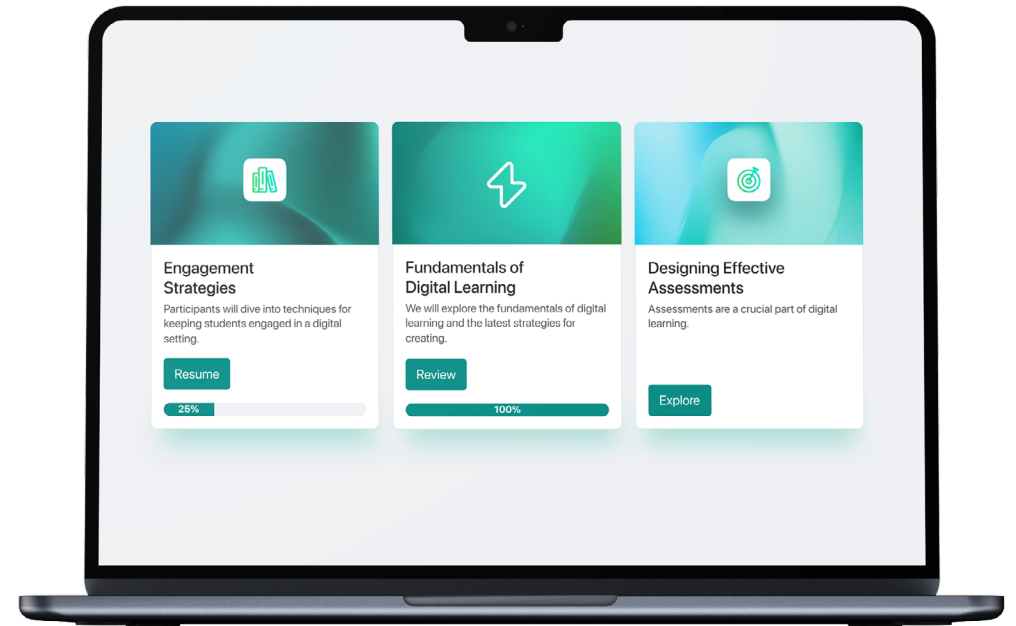

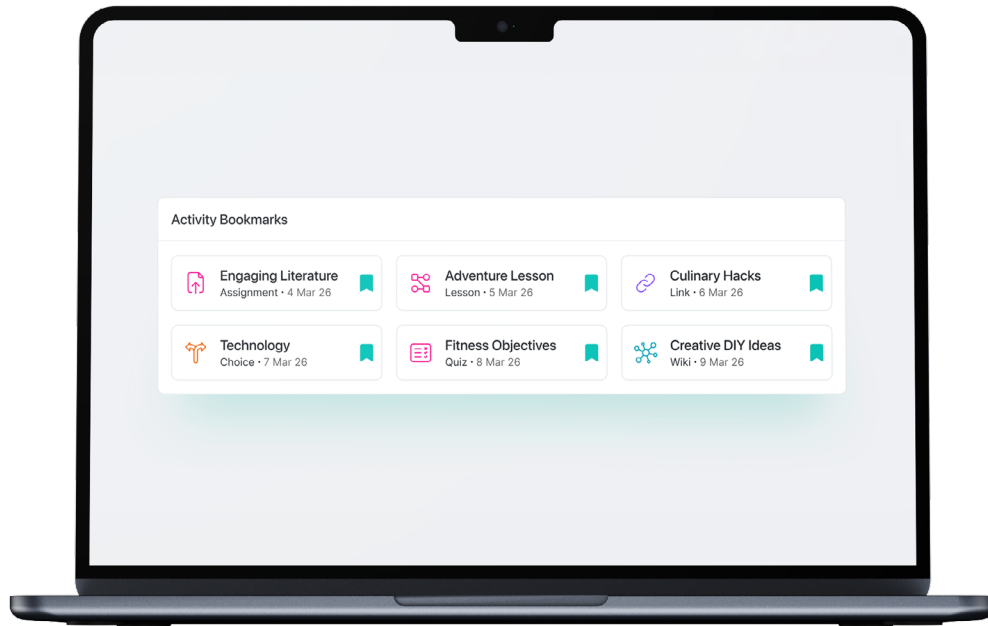

TOTARA

MOODLE

WORKPLACE

This enhances Totara's core Current Learning block by providing greater control over how learning is displayed so learners see a cleaner, more relevant view of their assigned learning and priorities.

Activity Bookmarks

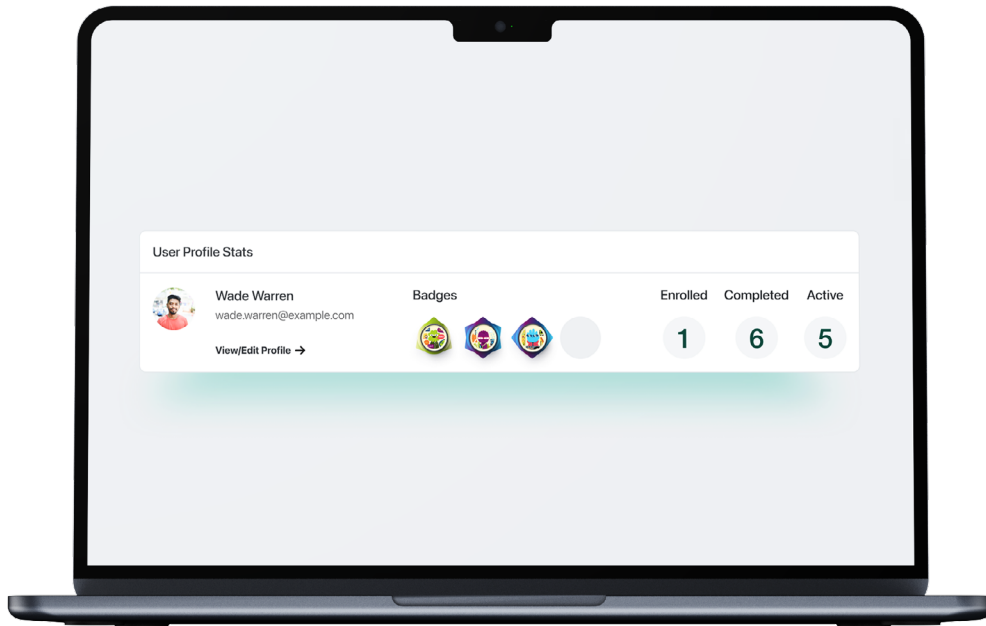

TOTARA MOODLE WORKPLACE

Create personalised shortcuts that support self-led learning. Activity Bookmarks enable learners to save useful or interesting activities to the dashboard with a single click.

My Courses

TOTARA MOODLE WORKPLACE

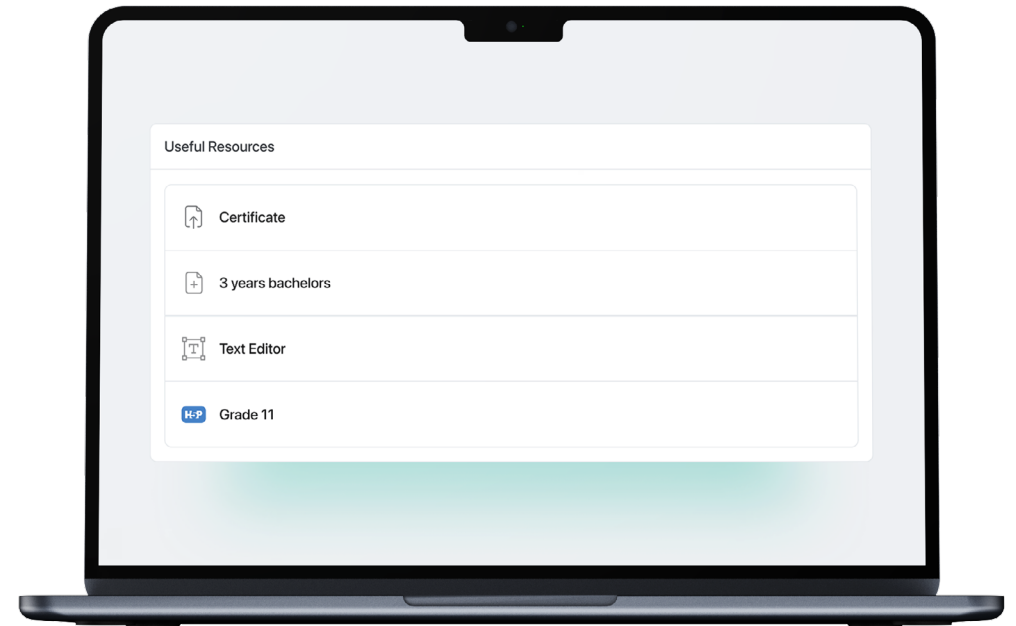

Give learners a clear overview of their enrolled learning. Progress indicators and intuitive layouts help users understand what they need to do next.

User Profile Stats

TOTARA MOODLE WORKPLACE

Make progress both visible and motivating by giving learners at-a-glance progress overviews including profile, latest badges and course stats.

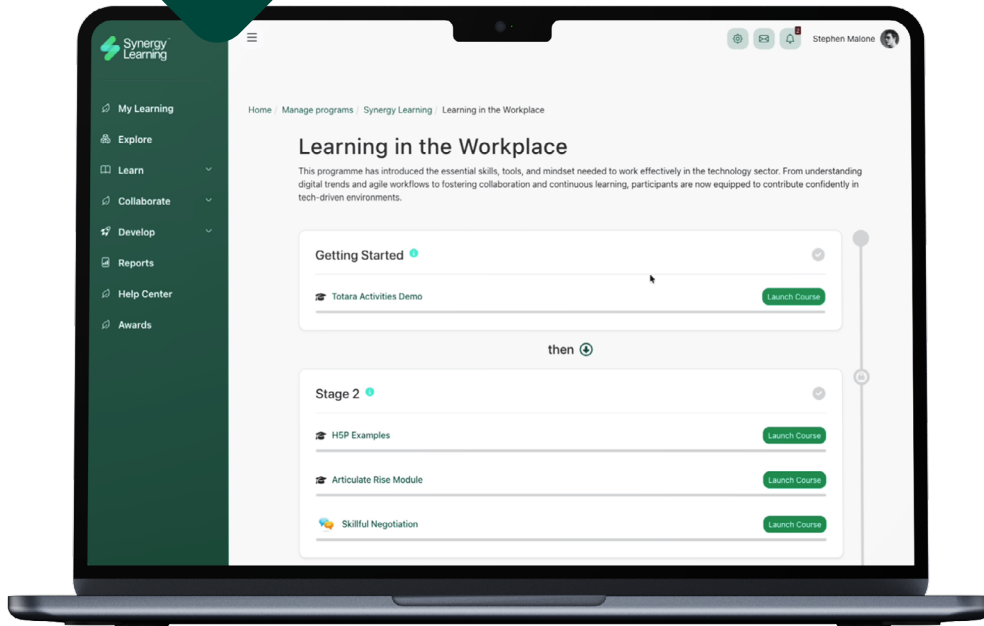

Useful Resources

TOTARA MOODLE WORKPLACE

Curate supporting materials dynamically so learners don't have to search; by tagging and organising resources, it helps streamline the learning experience and ensures important information is always within reach. With flexible configuration, it can be tailored to your learning platform.

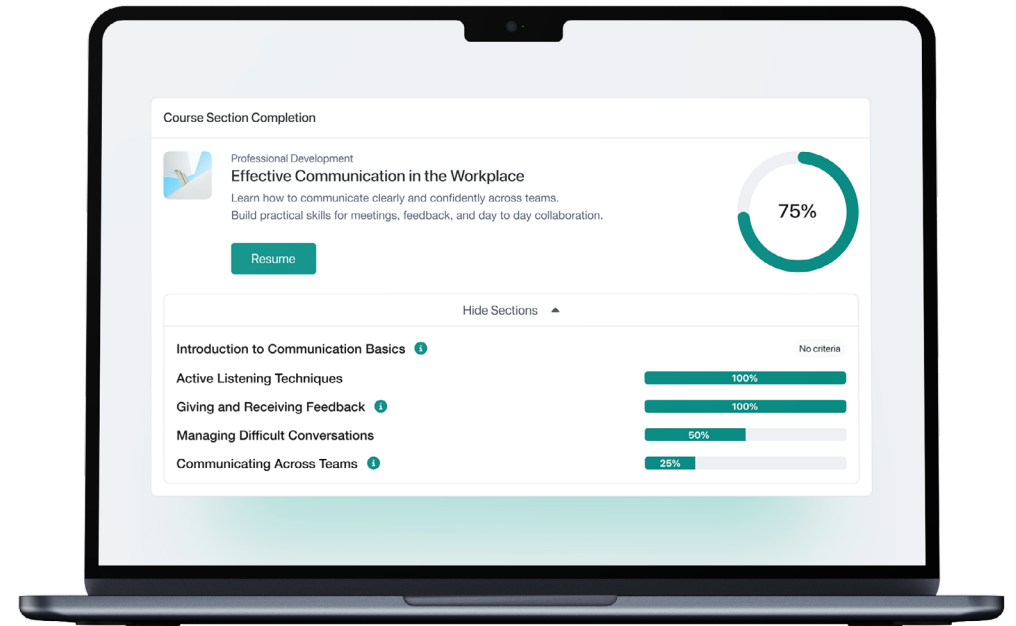

MOTIVATE THROUGH CLEAR PROGRESSION

Timeline Learning

TOTARA MOODLE WORKPLACE

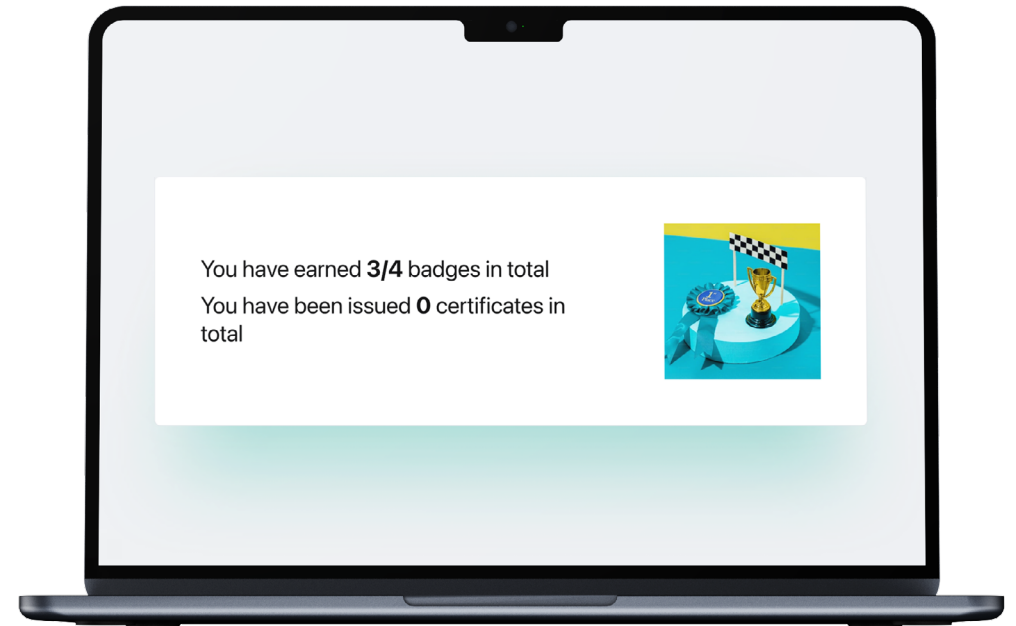

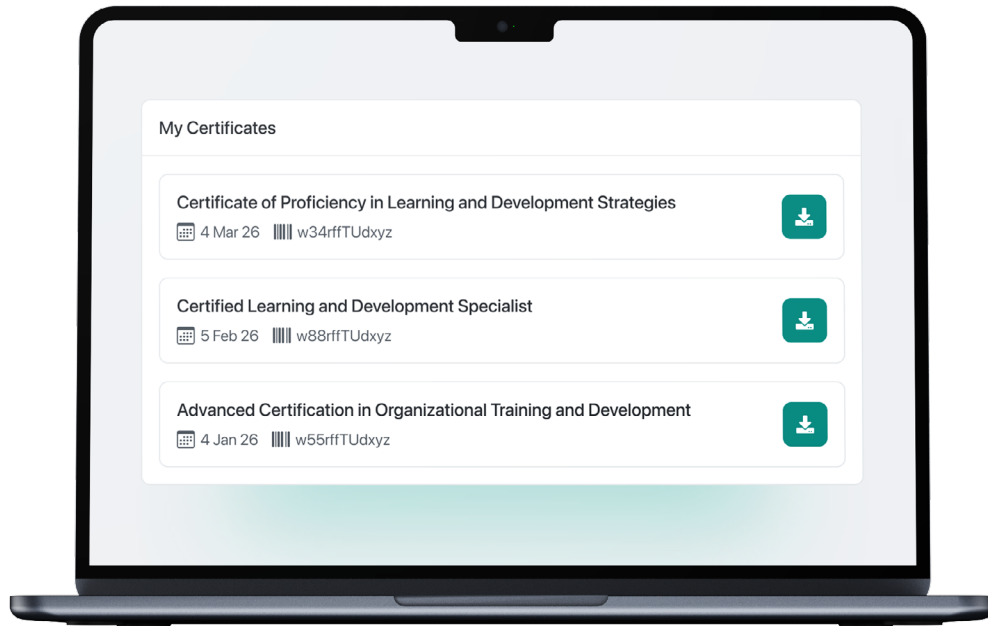

Turn complex learning programmes into clear, visual journeys. With Timeline Learning, learners can see at a glance what's coming next and how far they've progressed.

Course Section Completion

TOTARA MOODLE WORKPLACE

Break learning into manageable steps with Course Section Completion. By showing progress at a section level, you can motivate your learners to keep driving forward.

My Certificates

TOTARA MOODLE WORKPLACE

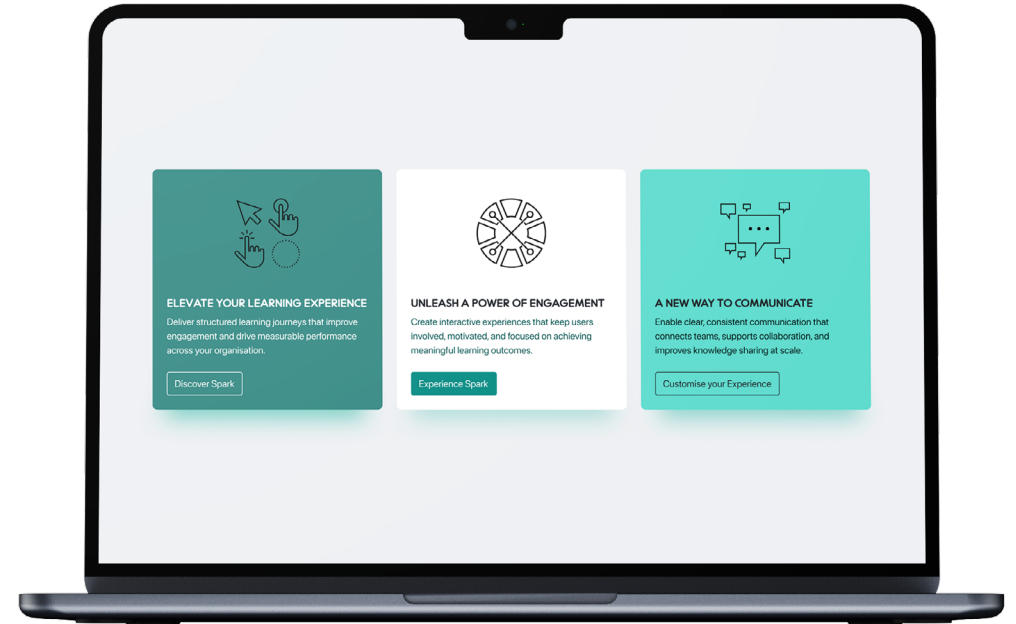

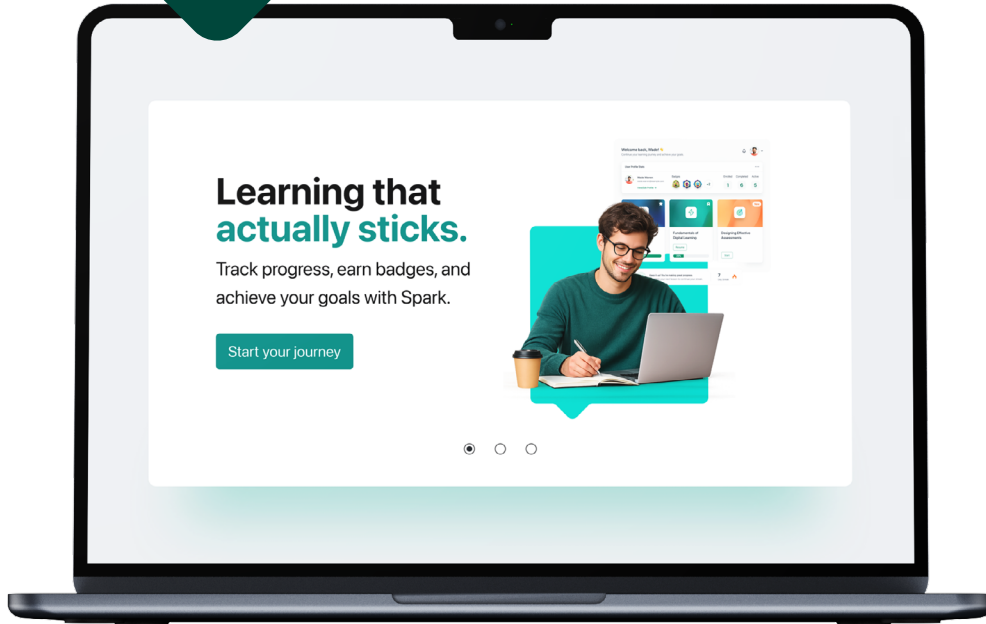

Support compliance, CPD and recognition with downloadable certificates, making achievements easy to access and share. This drives positive learning behaviours through reward and recognition.

Awards Wall

TOTARA MOODLE WORKPLACE

Leaderboards and achievements encourage healthy peer competition and drive engagement. This enables you to celebrate success and build motivation through gamification.
